

AMENDMENTS TO THE DRAWINGS

Figure 2 is amended to add character reference “4b.”

Attachment: Replacement Sheet

REMARKS

Applicant hereby amends Figure 2 to include reference numeral "4b." as requested by the Examiner, on page 2 of the Notice of Allowability. The Examiner also makes reference to the title of the invention in line 2, page 2, of the Notice of Allowability. Applicant respectfully submits that the title was not intended to be amended and that the phrase "Please replace the title with the following amended title:" (in the August 11, 2005 Amendment) was not followed by any amended title, such that the title should remain as originally filed, which is "Chuck Assembly." The changes being made are simply editorial in nature and no question of new matter or questions of further search arise.

Entry and consideration of this Amendment are respectfully requested.

Respectfully submitted,
